

West Penn Wire **Connected**

Do You Really Know What's Behind That Wall?

You've designed the ideal system with:

- > Top-of-the-Range Speakers, Perfectly Placed
- > Cutting Edge Monitors for Real-Life Resolution
- > Seamless Controls
- > Cleverly Concealed Sources

That's why you want to be sure what's behind the wall brings out the best of what's in front.

At West Penn Wire, our 40+ years of excellence in helping customers behind the wall enables us to make sure your signals are delivered clearly, and that the user experience matches your design.

From cables to wires to cabinets, our connections make a difference. To learn more, contact your local West Penn Wire distributor or call 1-800-245-4964.
