

Custom Cables/Wire Harnesses Manufactured to Your Specifications

At West Penn Wire, we manufacture a wide range of wire/cable harness assemblies, electromechanical and cable assemblies to your specifications.

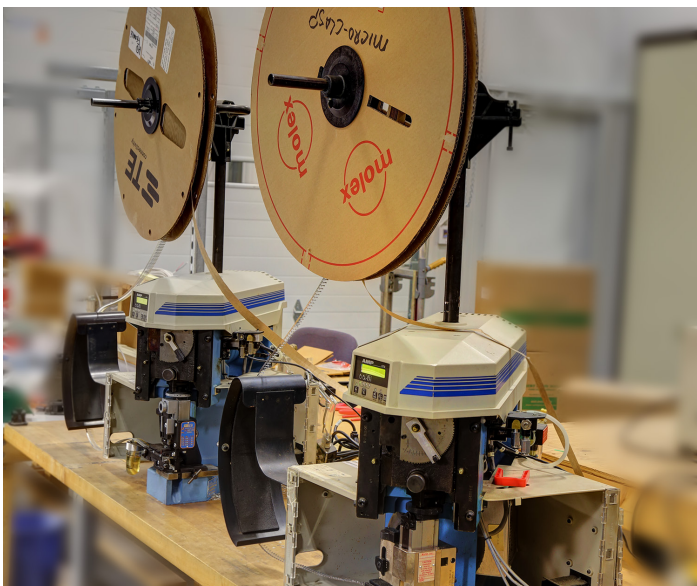

The custom-manufactured products and assemblies we offer include:

- > **Harness Assemblies** – Customer-specified Wire & Cable Harnesses
- > **Electromechanical** – Customer-specified Assemblies Using Highest Quality Components & Tooling
- > **Cat5e, Cat6, Cat6AF** – Standard & Custom Assemblies (Various Colors, PVC & Plenum, Solid & Stranded)
- > **Coaxial/RF** – Video, Audio, Wireless RF Applications, Antenna
- > **Fiber Optics** – Fanout, Breakout, Patch Cables, Hybrid Fiber/Copper
- > **DVI, HDMI, USB, CATV, 3.5mm, RCA, S-Video**- Standard & Custom Assemblies
- > **Ribbon Cables** – Various Types/Conductor Counts/Connector Types (Shielded & Non-Shielded)
- > **Serial Cables** – RS232, RS422, RS449, RS485

We've invested in specialized tooling to produce a comprehensive array of custom cables and wire harnesses, internal and external computer cables, and other products for these applications and markets:

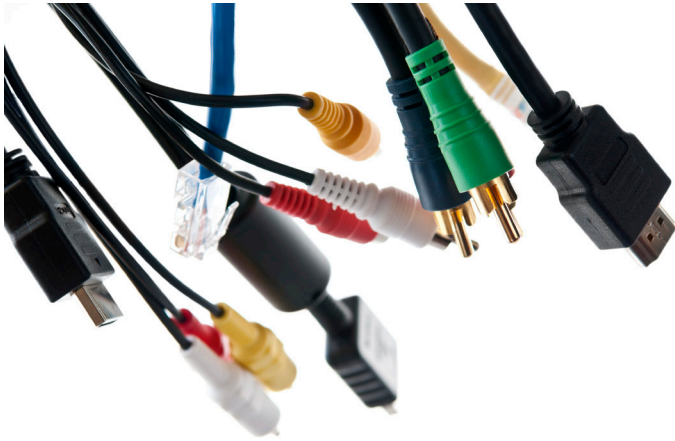

- > **Aerospace**
- > **Appliance**
- > **Audio**
- > **Automotive**
- > **Data**
- > **Digital Video**
- > **Fiber Optics**
- > **Industrial**
- > **Medical Device**
- > **Networking**
- > **OEMs (Original Equipment Manufacturers)**
- > **Robotics**
- > **Security/Alarm**
- > **Transportation**
- > **Vending**

If your application or industry is not listed, West Penn Wire can still customize cables or wire harnesses to your specifications.

Testing/QC

Our custom cable assemblies, electromechanical assemblies, and wire/cable harness assemblies are 100% tested for continuity and workmanship. We use the highest quality testing equipment to meet your specific requirements.

Value-Added Services

To solidify our position as your single-source supplier, we offer these value added services, allowing you to reduce your internal handling costs:

- > Custom Labeling
 - Compliant Barcode Labeling
 - Customer Logos on Packaging or Products
 - Private Labeling
- > Special Packaging
- > Custom Kitting

Your Best Source for Harnesses, Cables & Assemblies

Since 1971, West Penn Wire has been designing and manufacturing a comprehensive array of wire/cable harnesses, cable assemblies and bulk wire/cable for small, mid-size and Fortune 500 companies throughout the world.

Our design, engineering and manufacturing excellence enable customers to obtain solutions that meet the most demanding requirements for data, audio and video applications.
